Dog Health Warranty, Purchase Agreement and Spay / Neuter Contract

This contract is between: **Tanya Papp as Funny Farm Doodles, LLC. (FFD)** (Hereafter “Seller”) and

(Hereafter “Buyer” or “Buyers”) and

Entered on this date:

Pertaining to:

Puppy Name:		DOB		Gender:	
Sire:		Dam:		Color:	
Chip#		Puppy 8week date		Total Price of Puppy	

Seller's Responsibility:

1. The seller guarantees that the puppy is in good health (minus potential intestinal parasites) and has received the following:
 - A. Age-appropriate immunizations
 - B. Subcutaneous microchip
 - C. Deworming
 - D. Health certificate (available at the time the Buyer takes possession)
2. The Seller provides warranty against debilitating congenital defects for a period of two (2) years after the date of sale.
 - A. Seller guarantees all possible steps have been taken with the sire / dam selection and breeding to prevent hereditary issues.
 - B. Debilitating congenital defects are defined as those present since birth that are either life-threatening or would prevent the puppy from fulfilling the intended purpose for which it was purchased.

- C. Any suspected debilitating congenital defect must be confirmed by a licensed veterinarian (including necropsy if the dog dies)
 - i. Buyer must supply any requested veterinary records related to the dog's condition to the seller within seven days of diagnosis.
 - ii. Seller has the right to require a second opinion from a veterinarian and/or veterinary specialist of the Seller's choice at the Seller's expense.
 - iii. If necropsy is performed and results in undetermined or inconclusive diagnosis, warranty is void.
- D. If a congenital defect is identified within the warranty period, the Buyer has the option to obtain a replacement puppy from the Seller of equal or lesser value from the next available litter.
 - i. Original puppy need not be returned, provided there is proper documentation of congenital issue.
 - ii. Breeder determines which puppy (of equal or lesser value) will be used as a replacement and the wait may be as long as 6-12 months.
 - iii. Color or gender is not guaranteed
 - iv. Shipping fees (if any) will not be refunded, and any costs associated with the shipping replacement puppy are to be covered by Buyer.
- E. If the puppy is euthanized or in any way disposed of, without giving the seller an opportunity to obtain a second opinion from the seller's veterinarian (if the seller so desires) - the buyer waives all rights to a replacement puppy.
- F. This warranty does **not** include viral illnesses, infections, improper bites, stress-related illness, hernias, hypoglycemia, parasites (including Giardia or Coccidiosis), cancer or endocrine disorders. It also does not include any illness due to the ingestion of foreign objects, food, chemicals or physical injury.
- G. No warranties or guarantees, expressed or implied, are made under this contract except as stated.
- H. This warranty is non-transferable.

3. It is to be clearly understood, that the Seller does NOT, under any circumstances, accept responsibility for any veterinarian and/or health care expense.

Buyer's Responsibility:

1. The Buyer agrees to and has paid the Seller a deposit of \$0. Leaving the **balance of \$2500** to be paid in **CASH** on the arranged day of puppy pick up 4/24/21 in Boise after Airport deliver of other puppies.
 **This fee does not include shipping. If shipping is required, the Buyer agrees to pay whatever charge is from 3rd party for shipping, which includes a travel crate and a health certificate. All Shipping arrangements need to be made well in advance of picking up puppy. **

_____ Buyer understands that the balance after deposit is to be paid CASH on the day of puppy pick up and that they are responsible for shipping or transport.

2. The Buyer bears all costs relating to the sale of the above animal, including transportation. The risk of loss or injury to the above animal is on the Buyer at all times after the puppy leaves the Seller.
3. The Buyer agrees to have the puppy examined by a licensed veterinarian within **Five (5) business days** of taking possession.
 - A. If the puppy is found to be in poor health, the Buyer has the option of returning the puppy to the Seller, at the Buyer's cost (cost for transport of puppy back to Seller) , for a full refund.

- B. The Buyer will provide a written statement from a licensed veterinarian clearly stating the defect or illness.
- C. If the puppy is not taken to a licensed veterinarian within **five** business days of taking possession, the health warranty is void.
- D. Please ensure that the puppy is kept in a kennel or held in the waiting room of a veterinary office, and that the exam room is properly disinfected before the appointment.
- E. Do not let the puppy walk on the floor in the veterinary office and ensure the room was cleaned prior to putting your puppy on the table. I recommend bringing a clean towel or blanket with you to be safe.

_____ Buyer understands Puppy needs to be seen by buyer's vet with in **5 business days**

- 4. The Buyer is responsible for all medical expenses associated with the treatment of intestinal parasites if the puppy is diagnosed (even if the puppy has parasites present when sent home). Despite our best efforts worms are always present in dogs and sometimes worms can become a problem because not all parasites respond to particular deworming and excess stress with "go-home" can "awaken" parasites that previously lay dormant.
 - A. If you are not willing to treat puppy parasites (sometimes more than one treatment is needed), then please do not buy a puppy.
 - B. It is common for puppy parasites to flourish after joining their new family (stress and change accommodate this).
 - C. Most parasites can be contagious, and it is possible that other dogs in the house can get them.
 - D. Do not let your other dogs eat the puppy's feces and clean it up immediately using proper cleaning chemicals.
- 5. The buyer agrees to provide the best possible care for their puppy for the duration of his or her life. This includes but is not limited to:
 - A. Housing the puppy indoors
 - B. Feeding only a premium quality, complete food intended for dogs
 - C. Maintaining their puppy at a healthy weight
 - D. Having their puppy seen by a licensed veterinarian for a wellness exam annually
 - E. Taking their puppy to the licensed veterinarian if he or she gets sick or is injured
 - F. Keeping all immunizations current according to the guidelines of the American Veterinary Medical Association
 - G. Administering heartworm preventative medication (if living in an area of concern)
 - H. Registration of microchip
- 6. The Seller highly recommends the Buyer provide basic obedience training with their puppy within the first year of owning their dog.
- 7. The Buyer agrees to postpone strenuous, forced exercise until after their puppy is over one (1) year of age to minimize joint damage as puppies develop.
- 8. The Buyer agrees to contact the Seller immediately if the Buyer determines they are unable to keep their puppy for any reason. The Buyer and Seller will jointly determine how the dog will be re-homed. For the duration of life of the dog. (We mostly really just want to make sure they are always in a good home and we can help in the rehoming process)

9. The Buyer agrees to **never** place their puppy with a rescue group, in a shelter, pound, or similar facility or research laboratory. _____Initials
10. The Buyer allows the Seller to use any pictures of the dog that the Buyer posts on social media for the purposes of reposting and sharing on Facebook, Instagram, their website, Twitter, YouTube, etc. or in any manner they choose.
11. The Buyer is responsible for all CKC Registration (if applicable), activating the complimentary Trupanion insurance and registering microchip. The CKC Registration needs to be done with in one year. And the insurance needs to be activated with in 24 hours before or after receiving puppy. All documentation will be in puppy packet with puppy and we usually send out reminders for everyone. We recommend <https://www.freepetchipregistry.com> for registering your microchip. But you can use whatever registry you prefer

_____ I understand I need to (1) activate Trupanion within 24 hours to receive free 30 days coverage (2) register my microchip with a registry (3) Register puppy with CKC (if applicable)

Spay and Neuter Contract:

1. Spaying/neutering/gonad sparing surgery (GSS) by a licensed, reputable veterinarian is required on the above puppy by _____ months of age.
 - A. Proof of this, in the form of a Certificate of Spay/Neuter from the Veterinarian, must be forwarded to the Seller by the time the puppy reaches **12** months of age.
 - B. If the Seller does not receive this documentation within this time, the warranty will become null and void.
2. It is understood that at the time of sale that the puppy is not to be used for breeding. It is a representation of its breed and it is structurally and temperamentally suited for a companion and / or working dog. It is being sold as a pet without breeding rights.

_____ I understand the Spay/Neuter Contract.
